

# Leading for Organizational Excellence

## Post-Course Dates

There are two parts to the course **MFG 2015P– Leading for Organizational Excellence** and both are included in your registration fee. You must complete both parts of the course in order to receive your certificate of completion and to have the course count towards your Manufacturing Leadership Certificate.

**Part 1: The classroom date.** This is where you attend the course at Georgia Tech. It is a one-day course and is offered either March 28 or October 10, 2018.

**Part 2: The LIVE online post-course.** This is scheduled 6 weeks after your classroom date and is a half-day online session with your classmates and instructors. The live online post-course dates are scheduled for **May 9, 2018** (paired with March course) and **December 3, 2018** (paired with October course).

The specific online post-course date will be provided, once you add the course to your shopping cart.
